

Student Sample C: Grade 4 Score 3

The best lunches to pack for your school lunches. Well, I don't pack lunches vary often because I like what they make at school. For all of you who like packing here are some great ideas.

What I like to most is sub sandwiches. for exsample turkey, blogna, ham, or roast beef but you can have whatever you want. Don't forget the mayo!

Vetshable are good for you too. you can pack a salde with green leafy spinch, carrots, dressing, and sun flower seeds. You could pack peas, green beans, corn, solaflower, broccooil too. You can also put in some vetshable dip or some ranch dresing.

Fruits are delishous and good for you too. You can pack apples, peaches, pares, ornges, or grapes. That would be healthy for you.

You can't forget about your drinks. water, jucie, grape fruit juice is good for you too.

Assessment Commentary:

This Score 3 sample Sticks to the Topic but ends without a conclusion, so no point is given for Logical Order. There were no Interesting Words, and Sentence Patterns didn't always contribute to the fluency of the writing. Many examples were given for a point in Descriptive Sentences, and the conversational tone gives a point for Audience.
