

This is a nursery rhyme.

Can you recite it by "reading" the pictures made with symbols?

Once upon a time ...

1 2

A simple line drawing of a castle with three towers on the left and a single oval stone on the right. <hr/> <hr/>	A curved line representing a hill. The castle and stone from the first panel are positioned on the slope, with the castle higher up than the stone. <hr/> <hr/>	A curved line representing a hill. The castle and stone are now at the top of the hill, with the castle on the left and the stone on the right. <hr/> <hr/>
A curved line representing a hill. The castle and stone are on the slope, with the stone higher up than the castle. <hr/> <hr/>	A curved line representing a hill. The castle and stone are at the bottom of the hill, with the stone on the left and the castle on the right. <hr/> <hr/>	A curved line representing a hill. The castle and stone are on the slope, with the stone higher up than the castle. <hr/> <hr/>
