An Overview of The Simple 6™	9
Chapter 1 The Writing Process as We Know It	11
<i>Is it time to rethink what we've been doing?</i>	12
<i>Students have been practicing the elements of the writing process for years. Why, then, are so many students failing to show writing proficiency on standardized assessments? Awareness of specific benchmark assessments and rubric scoring is addressed.</i>	
What are we missing?	13

Chapter 3	A Nine-Week Implementation Plan	42
	<i>The hardest part is getting started</i>	43
	<i>Do you have two hours a week?</i>	
	<i>By spending an hour a day, two days a week, students quickly master the skills of writing, scoring, and editing. Teaching the strategies one at a time, and adding a new one each week, makes mastery easy. These lesson plans will get you started.</i>	
	Getting Started. . . The Lessons	
	Week 1: <i>Stick to the Topic</i>	44
	Week 2: <i>Logical Order</i>	53
	Week 3: <i>Interesting Words</i>	62
	Week 4: <i>Review</i>	70
	Week 5: <i>Different Sentence Patterns</i>	76
	Week 6: <i>Descriptive Sentences</i>	83
	Week 7: <i>Audience</i>	91
	Week 8: <i>Peer Scoring and Revision</i>	97
	Week 9: <i>The Score 6</i>	114
Chapter 4	Writing Prompts	125
	<i>It takes practice and variation</i>	126
	<i>What should we ask students to write about?</i>	126
	<i>Sample writing prompts are given as well as tips for collaborating with colleagues to design your own prompts. Students learn to assess and edit pieces of writing in small groups.</i>

Chapter 5 Expanding Successes for Secondary Students	142
<i>Same Ideas — Just a Little More Sophisticated</i>	143
<i>Students in grades 6 through 10 are assessed with a rubric that is somewhat more sophisticated but very similar to the one for younger students. Using the elementary rubric for at-risk high school students has many benefits.</i>
